## Hardware Specification (Processor, Ram, Hard-disk):

I declare that I have received a laptop for professional / project use at college.

I am aware of and have signed rules / instructions listed below:

1. Data Protection Act: I understand that, it is my personal responsibility to ensure that personal or sensitive data is protected against unauthorised or unlawful access or processing.
2. Security: Whilst in my possession off site the laptop is my responsibility and I must take necessary steps to ensure it is kept secure (e.g. not leaving it in a car in plain sight).
3. It is my responsibility to ensure that the anti-virus software / any other software installed on the laptop is kept up to date.
4. Any additional software / hardware required by me (before or after taking handover) should be clearly communicated through direct and mail to the Systems Admin Department.
5. College Management / Authority is at the sole discretion on approving such requests.
6. In case of any malfunction, students are required to report the same to the Systems Admin Department.
7. Students may not take the laptop for repair to any external agency or vendor at any point of time.
8. I will change / remove any of the hardware or software elements without the prior permission from the Custodian / System Analyst.
9. I understand that I am solely responsible for any damage or failure occurred to the laptop.
